

The Capital Region Food Program (CRFP) is a private, not-for-profit, all-volunteer organization whose mission is to help reduce hunger in the Greater Concord Area through distribution of food to individuals and families.

For over 35 years, the CRFP has distributed over 1800 tons of food in the Greater Concord Area by:

- Securing monetary donations through individual donors, corporations, and grants.
- Soliciting in-kind services from local businesses and the general public.
- Utilizing hundreds of volunteers.
- Collaborating with other community distribution and service agencies.

In 2008, the Capital Region Food Program held its 1st Annual Charity Golf Tournament, raising over \$5600, with every dollar going towards the purchase of food. Last year, the 2nd Annual Charity Golf Tournament raised over \$6000. Again every dollar went towards the purchase of food. Additionally, each year the Program has donated the extra meals from the tournament to the Friendly Soup Kitchen in Concord, N.H.
