WELCOME!

Thank you for joining us in our second annual charity golf event! Your participation supports the efforts of the Capital Region Food Program to provide food to those in need in the Concord area throughout the year.

OUR MISSION:

To help reduce hunger in the Greater Concord area through year round distribution of food for individuals and families by securing financial donations and in-kind services and by coordination, collaboration, and cooperation with other community distribution and social service agencies.

For over 35 years, we have partnered with over 30 social service agencies in Concord and 17 surrounding communities to reduce hunger. We are an all-volunteer organization with no paid staff. Every dollar donated to the CRFP is used to purchase food which is given to our partner agencies.

As the need for our program continues to grow rapidly in these difficult economic times, your support is critical to help us meet the increased demand.
