Dear Valued Supporter:

The Capital Region Food Program (CRFP) has a 35-year history of working to reduce hunger in the Greater Concord Area. Through the hard work of our all-volunteer group of supporters, we are able to operate two successful programs. The Holiday Food Basket Project (HFBP), our oldest program, occurs every December and serves nearly 1800 families. The Year Round Distribution Project (YRDP), our newest program of 16 years, is a monthly distribution that provides food to nearly 30 area food pantries. Without your support, neither of these programs would exist and we want to thank you for your interest in our program.

To better serve you, we have recently re-launched our website. The site provides a wealth of information about CRFP, including partner agencies, how to volunteer, how to donate, upcoming events, and so much more. It is our hope that by providing you with this valuable resource, you will learn about the services we provide through our projects as well as how you can help.

I welcome you to browse the website and learn more about our efforts. If you would like any further information about the Capital Region Food Program, please feel free to email us through our "Contact Us" page. Thank you again for your interest and generous support of the Capital Region Food Program.

Sincerely,

Cheryl A. Elliott, Chair
