###

The Capital Region Food Program (CRFP) is a private, not-for-profit organization whose mission is to help reduce hunger in the Greater Concord area through year-round distribution of food to individuals and families. Since 1974 this has been accomplished by securing financial donations and in-kind services and by coordination, collaboration, and cooperation with other community distribution and service agencies.

The CRFP distributes over 110 tons of food annually through two initiatives. Forty (40) tons of food is distributed through the Year-Round Distribution Project which is distributed eleven times each year to over thirty local agencies. Seventy (70) tons of food is distributed through the program’s Holiday Food Basket Project, held in partnership with the New Hampshire National Guard each December.
