The Capital Region Food Program is comprised of two major initiatives that aid in feeding economically challenged families and individuals.

Year Round Distribution Project (YRDP)

- Formalized in 1992 to provide monthly supplemental food supplies to area food pantries and social service agencies
- Food donated to partner agencies monthly supplements over 5,500 meals to families in need
- Over 40 tons of food purchased, collected and distributed annually to partner agencies
- Partnerships with Associated Grocers of New England for monthly distribution and U.S. Postal Carriers Association and Granite United Way for May's Stamp Out Hunger!

Holiday Food Basket Project (HFBP)

- Established in 1974 to help those in need during the holiday season
- Partnership with NH Armory National Guard as distribution center since 1983
- Food distributed provides a holiday meal and additional items to supplement meals for 2-3 weeks
- 70 tons of food secured by CRFP funds, as well as community food drives, fill the baskets

HOW YOU CAN HELP

The Capital Region Food Program relies on donations and contributions from generous individuals and businesses to achieve our goal of reducing hunger in the Greater Concord Area.

Financial Support

Since its inception, the CRFP has operated with the commitment that every dollar raised is used for the purchase of food. Contributions are integral to our success.

Your Time

As an all-volunteer organization, we welcome both individuals and groups who can lend their time and/or expertise to the CRFP.

In-Kind Contributions

The CRFP relies on the support of key contributors who have offered their time, services, and/or to financial assistance to help our organization achieve its mission.

Every dollar donated to the CRFP is used exclusively to purchase food for our partner agencies and families and individuals in need.
