

WHO WE ARE

The Capital Region Food Program (CRFP) is a private, not-for-profit, *all-volunteer* organization whose mission for over 49 years has been to help reduce hunger in the Greater Concord Area through distribution of food to individuals and families.

Each year, the CRFP facilitates access to over 110 tons of food for those in need residing in the Greater Concord Area by:

- Securing monetary donations through individual donors, corporations and grants.
- Soliciting in-kind services from local businesses and the general public.
- Collaborating with other community distributions and service agencies.

PROGRAMS

The Capital Region Food Program is comprised of two major initiatives that aid in feeding economically challenged families and individuals.

Year Round Distribution Project (YRDP)

- Formalized in 1992 to provide monthly supplemental food supplies to area food pantries and social service agencies.
- Food donated to partner agencies monthly, supplements over 5,500 meals to families in need.
- Over 40 tons of food purchased, collected and distributed annually to partner agencies.
- Partnership with Associated Grocers of New England for monthly distribution.

The Holiday Project

- The Holiday Food Basket Project was originally established in 1974 to help those in need during the holiday season.
- Following a successful pilot in 2022, the Holiday Project officially adopted a voucher format for 2023 and beyond. The voucher format ensures CRFP recipients are able to get the foods most needed to accommodate dietary restrictions, special needs and the cultural traditions of our diverse community, all while reducing waste of unused food donations.

HOW YOU CAN HELP

The Capital Region Food Program relies on donations and contributions from generous individuals and businesses to achieve our goal of reducing hunger in the Greater Concord Area.

Financial Support

Since its inception, the CRFP has operated with the commitment that every dollar raised is used for the purchase of food. Contributions are integral to our success.

Your Time

As an all-volunteer organization, we welcome both individuals and groups who can lend their time and/or expertise to the CRFP.

In-Kind Contributions

The CRFP relies on the support of key contributors who have offered their time, services, and/or to financial assistance to help our organization achieve its mission.

Every dollar donated to the CRFP is used exclusively to purchase food for our partner agencies and families and individuals in need.
